Please note:

1. EASA and Sira reserve the right to delay re-sits and re-assessments until suitable numbers of candidates/registrants can be economically grouped to warrant the running of a session.
2. All courses must be paid for in full in advance for every candidate.

Annual Administration and Surveillance Charges:

All Registered Operators and Responsible Persons:	£180	£220	Per registrant
--	------	------	----------------

Ad Hoc Costs:

Replacement of lost or damaged certificates:	£50	£70	
Enquiries relating to the transfer and validation of certificates during the movement of registered personnel between employers:	£100	£140	

Please note: First year 'Annual charge' invoices become payable when certificates are issued and will be charged pro rata to months remaining in that year. For subsequent years an invoice will be presented in December for payment before 31st January in the new year. Annual charges remaining unpaid by the stated date could result in certificates being rescinded.
